FREE Retro Adventure Themes by Aural Space features 5 audacious soundtracks to accompany you in your epic adventures. Through mountains and valleys, seas and deserts, burning warmth and freezing cold, let this great endeavour begin!

Package Contents

These 5 themes represent the 5 pillars of a successful and rewarding adventure.

1. Action - Overcome whatever you encounter while venturing.
2. Devotion - Love each moment and keep moving forward.
3. Opportunity - Keep your mind open and your soul free.
4. Quest - Never lose track of your objective.
5. Tenacity - Trust in yourself and your decisions.

SIDE NOTE

Although this document shows the suggested use for this Sample Pack, creativity has no limits and we highly recommend that you also use these themes outside of their intended use; who knows what they will bring? Last but not least, we always add an “_Icon” file to each of our sample packs, which can be used to replace the existing icon of the sample pack’s folder. This is done to offer a more personalized and branded experience.

All audio files are subject to the Store LICENSE.

“We hope you’ll find this package useful while making your game. Now, journey on towards adventure!”
